Thursday, February 6, 2025	
Saturday, April 19, 2025	VIRTUAL @ 10:00 AM-11:00AM

About Illustrative Mathematics:

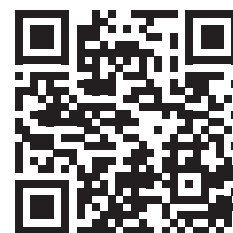

Illustrative Mathematics is a nonprofit organization founded on the belief that all students are capable of learning grade-level mathematics. Their innovative problem-based K–12 curriculum is designed to energize math classrooms and equip students with critical skills, understandings, and practices that can benefit them for a lifetime.

Also Check Out:

Counted Out, a film that investigates the biggest crises of our time-political polarization, racial and economic inequality, a global pandemic, and climate change-through an unexpected lens: **math**.
