Understanding Important Measures of Student Achievement:

REQUIRED ASSESSMENTS

THE BASICS

- Given in the Fall, Winter & Spring
- Students in Grades K – 10
- Subjects Tested:
Reading, Math & Science

THE SPECIFICS

- Administered on the computer
- Adapts to your child's skill level so each assessment is unique

THE RESULTS

- Show how your child performs in relation to other children in the U.S. at that grade level
- Measure your child's academic growth over the course of a year in his/her core subjects
- Identify areas where the teacher can adjust instruction
- Identify students who may benefit from State & Federal Supplemental Education Programs – Title-I & 31a
- Reported to Michigan Department of Education and Lake Superior State University - a required benchmark assessment for Public Act 48

NEED MORE INFO?

www.nwea.org/sites/www.nwea.org/files/resources/ParentToolkit.pdf

THE BASICS

- Given in the Spring: Dates TBD
- Students in Grades 3 – 8
- Subjects Tested:
Language Arts, Math - All Grades
Science, & Social Studies - Grades 5 & 8

THE SPECIFICS

- Administered on the computer
- Includes multiple choice and constructed responses

THE RESULTS...

- Show your child's proficiency level on State standards
- Measure how ATA students compare with other students in Michigan
- Identify areas where teachers can adjust curricular changes for the following year
- Reported to Lake Superior State University and in ATA's Annual Education Report for Michigan Department of Education
- Determine ATA's academic ranking in relation to all other schools in Michigan

Preparing for:

REQUIRED ASSESSMENTS

EVERYDAY

- Ensure your child comes to school every day and on time
- Provide a quiet place for your child to study and complete his/her homework
- Require time everyday for your child to review what he/she learned in class and visit [tutor.com](https://www.tutor.com) for any questions they may still have
- Ask your child to explain what he/she learned in class each day
- Ask your child if there was something he/she still needs help understanding
- If there is any concern, call your child's teacher immediately
- Review your child's progress on PowerSchool regularly
- Attend Parent-Teacher Conferences
- Motivate your child to do his/her very best every day

JUST BEFORE ASSESSMENTS

- Tell your child that you believe in them, and that they are prepared
- Encourage your child to stay focused on doing their best, not being perfect
- Emphasize to your child that the assessment is a chance to show what they know and that you're proud of their effort regardless of the outcome
- Remind them to stay calm, breathe deeply, and use any relaxation techniques they've learned
- Encourage them to ask questions if anything is unclear during the test
- **MOST IMPORTANTLY**, express your confidence in their abilities

AFTER ASSESSMENTS

- Review the test results with your child
- If you need assistance with understanding the results, make an appointment with your child's teacher or principal
- Thank your child for putting forth his/her daily effort to do his/her best on the assessment
- If your child's results indicate he/she was below grade level on NWEA, not proficient on the Michigan assessments, or not college ready on the PSAT / SAT / ACT Workkeys:
 - ✓ Meet with his/her teachers to put a learning plan in place
 - ✓ Consider enrolling your child in a tutoring program
 - ✓ Visit [tutor.com](https://www.tutor.com) regularly
 - ✓ Let your child know you are still proud of his/her efforts
